About Edan USA

Edan USA is a healthcare company dedicated to improving the human condition around the world by delivering value-driven, innovative and high-quality medical products and services. For over 20 years, Edan USA has been pioneering a comprehensive line of medical solutions that address a broad range of healthcare practices including:

- Diagnostic ECG
- Patient Monitoring
- OB/GYN
- Ultrasound imaging
- Point-of-Care Testing
- In-Vitro Diagnostics
- Veterinary
- Veterinary

Healthcare professionals around the world depend on Edan USA’s breakthrough medical technologies and outstanding customer support.
With its compact design, user-friendly operation and advanced imaging technologies, the U60 ultrasound system offers a broad range of clinical applications to address all of your imaging needs.

**Compact Design**
- Compact, lightweight design facilitates mobility
- Integrated battery enables operation anywhere
- Large 15” monitor for easy viewing

**Comprehensive Clinical Applications**
- Full set of transducers to support all applications

**Advanced Imaging Technologies**
- Tissue Harmonic Imaging
- Spatial Compounding Imaging
- Speckle Reduction Imaging

**User-Friendly Operation**
- Backlit, easy-to-use control panel
- Customizable user defined controls
- Large capacity data storage

**Excellent Image Quality**
The U60 provides excellent detail, contrast resolution and image uniformity without sacrificing penetration. Excellent color and Doppler sensitivity easily detects small, low flow vessels.
